Title: Briefing

Subject: Loan Agreement Signing

Our company, Agrigas Energy S.A., announces that in the context of the implementation's continuation of a business plan for the construction of a 0.5 MW_{el} power plant using biomass from agricultural residues, signed on 17.11.2020 a loan agreement of 2.568 million Euros with Piraeus Bank.

We thank all our partners (ewerGy GmbH, TÜV Hellas, Ernst & Young, Piraeus Bank) who contributed to the completion of this step.
